WE THANK GOD FOR OUR CATHOLIC SCHOOLS

A parish and its associated schools have a common mission in the Church. The parish church and the parish school may well be populated by different people, but they are very much members of the same Body of Christ. They may serve different 'constituencies', but they have one and the same life-source: Jesus Christ. These two distinct members of Christ's Body have one common purpose: to proclaim the Gospel.

In the Catholic school, it is not simply that we educate, but we educate according to the Gospel and the teachings of the Catholic Church. We also offer to all those who make up the school community, staff and students alike, an invitation to encounter Jesus Christ.

This invitation is made through the ethos of the school. The ethos is expressed through persons, signs and practices within the school. Hence our leaders and teachers in the school are called to live as witnesses of the Catholic faith. The crucifixes, statues, signs and displays around the school witness to Christ and the Church. The life of the school follows the life and rhythm of the Church with its seasons and celebrations. Importantly, Mass is a common and integral part of school life.

As this new academic year begins, I ask you to pray for all in our schools; the children, the leaders and all staff. The priests celebrate Mass in each of our schools almost every week. Where appropriate and possible these school Masses are shared with parishioners: 10am Mass at St Bede's church on Mondays and 9.30am Mass at St Margaret Mary's church on Wednesdays. Check the newsletter each week! Why not join the schoolchildren for Mass? It is a concrete expression of parish and school united in One Body of Christ.
