STATIONS OF THE CROSS

The Stations of the Cross (or the Way of the Cross; in Latin, *Via Crucis*) is a devotion which recalls the last stage of the journey that Jesus walked in his earthly life: from when he and his disciples, after psalms had been sung, left for the Mount of Olives (Mk 14:26), until the Lord was taken to the place called Golgotha, The Skull (Mk 15:22), to be crucified and then buried in a garden nearby, in a new tomb hewn out of the rock. This devotion has evolved over time. Tradition holds that our Blessed Mother, following the death of her son, visited daily the scenes of our Lord's passion. After Emperor Constantine legalized Christianity in the year 312, this pathway was marked with its important stations. St. Jerome (342-420), living in Bethlehem during the later part of his life, spoke of the crowds of pilgrims from various countries who visited those holy places and followed the Way of the Cross.

In the fifth century, an interest developed in the Church to "reproduce" the holy places in nearer home so that the faithful, who could not actually travel to the Holy Land, could follow the way of the Cross in a devotional, spiritual way in their hearts. And so the stations were marked in our churches and people encouraged to pray the Stations of the Cross. There are traditionally 14 stations beginning with the moment Pilate condemned Jesus to death through to the burial of our Lord. The object of the Stations is to help us to make a spiritual pilgrimage of prayer, meditating upon the chief scenes of Christ's sufferings and death.

There are numerous occasions for you to take part in this devotion during Lent. See the newsletter for details.

ST EDMUND'S CHURCH UPDATE

Following the public meeting held 17th Feb, I sent a proposal to the Bishop that we cease to use the building as a place of worship. I have now been informed that there will be an extraordinary meeting of the Council of Priests towards the end of this month at which this proposal will be considered. Meanwhile, Cumbria County Council are consulting about the possibility of using St Edmund's site to increase special needs provision. I emphasise that it is the prerogative of the Bishop to decide on the future of the building as a church and, as soon as I receive the Bishop's decision, I will let you know. *Canon Ruscillo*
